How Preston Rowe Paterson Sydney enhanced creativity

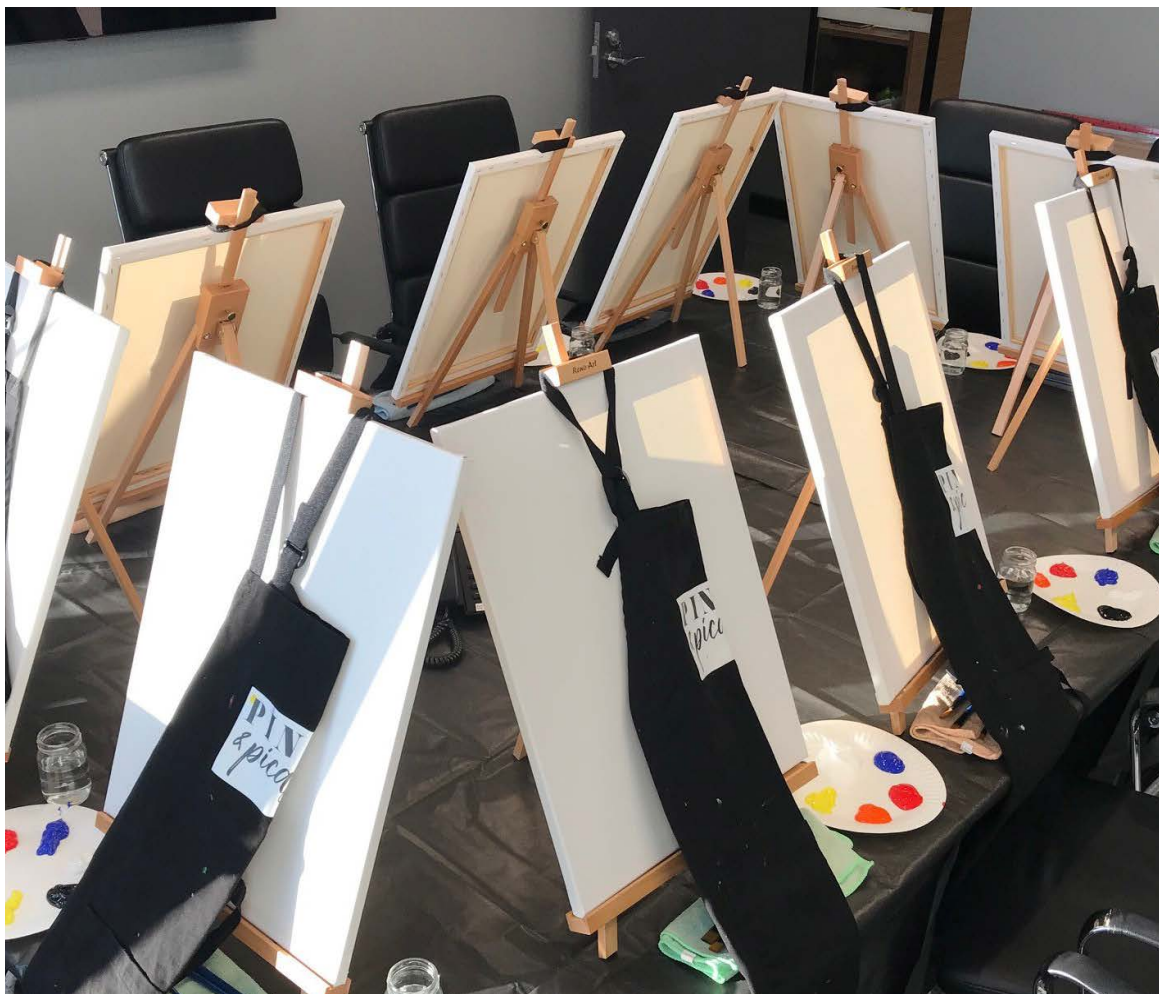

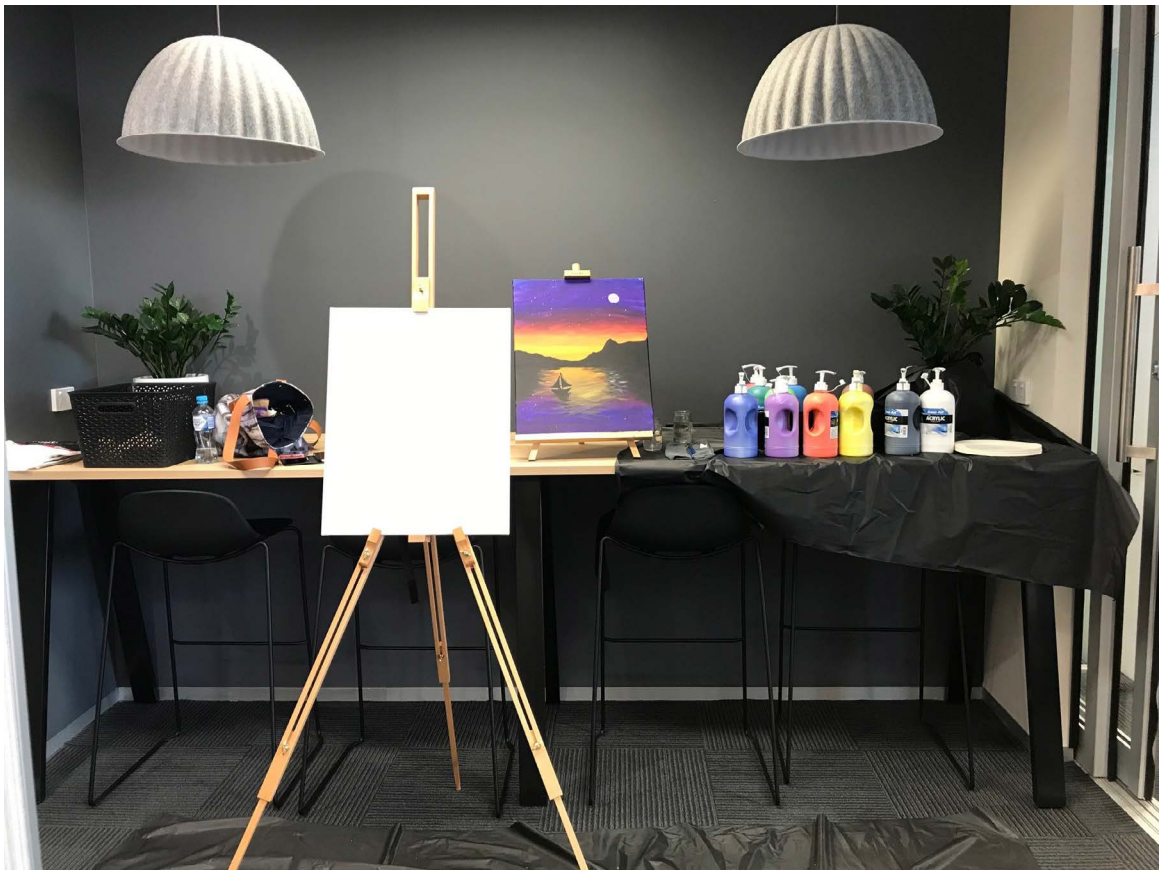

Part of our ESG (Environmental, Social and Corporate Governance) program is to understand that to have a successful environment at work, we need to encourage overall well-being while keeping it fun.

After a huge success of the French Wine & Cheese tasting organised in our office, it was time to put our aprons on for a painting session!

'Pinot & Picasso' - Australia's No.1 Paint and Sip Experience - hosted a painting session in our boardrooms, to give our team a moment of fun and reward for all the hard work they have provided these last few weeks.

Our other ESG initiatives include:-

- **Greg Preston & Greg Rowe** have signed the pledge from the **Diversity Council Australia** – **#IStandForRespect** – a campaign to stand against sexual harassment in all its forms;
- We have registered and participated in a webinar about "*Preventing sexual harassment and changing workplace culture*";
- We are also working on an **intranet** where all employees could find support and share news;
- **Mind mapping** our future initiatives to set goals and achieve them.

Any Questions?

For further information, or specific enquiries relating to property valuation, or research services, please get in touch.
